

You would be amazed how this can help turn a person's life around!

Dear Friend,

For most of us, the holidays are a joyous time celebrated with family and loved ones. But for many in our city living with the stigma of mental illness, addictions and homelessness, it can be a lonely and sad time.

We work hard to make The Kettle a "home for the holidays" for many who have no place to go. This is especially important during today's economic climate.

Please help us give everyone who needs it, a hot turkey dinner, a small gift and friendship this holiday season. You would be amazed how this can help turn a person's life around.

There are many ways to give this holiday season. You can make a donation by cheque or by credit card – just use the tear-off coupon below. You can donate online at: thekettle.ca.

And, just in time for the holidays, you can give a meaningful gift to everyone on your list by going to The Kettle's secure gift page on charitygiftbag.org and choose from the ten Kettle Caring Gifts presented. See the attached insert for more information!

The Kettle offers 26 programs and services, serves 26,000 meals per year and operates over 200 units of supported housing. We couldn't continue to do this without your help.

Please give generously this holiday season. You can make sure that no one spends the holidays hungry and alone. Thank you!

Holiday greetings,

Tamara Taggart
